## AAD News

We are already well into 2017, but after a series of delays the Board of Directors has had their first meeting of the year. After serving on the Board since its inception in 2008, MG(Ret) Joseph G. Webb, Jr. has decided to step down. The AAD wishes to thank MG(Ret) Webb for his dedication and years of service to the organization. We wish him well in all future endeavors. To fill his position on the Board the members elected COL(Ret) James "Jim" Kulild. Jim has been very active in other dental organizations and brings a wealth of experience and new ideas to our Board. We all welcome him to his new position!

The first order of business for the new Board was the election of officers for 2017. MG(Ret) Russell J. Czerw was reelected for a second term as President and Chairman of the Board. The Board also reelected COL(Ret) John P. Storz as Executive Director and COL(Ret) Robert E. "Bob" Stieneker as Secretary.

## Call For Volunteers

As the AAD continues to grow and expand its programs we are in need of additional volunteers to assist with the administrative tasks of the organization. The areas where help is most needed are: 1) Communications Director, 2) Business Development Director, and 3) Historian. A complete

description of the job duties and required skills can be found on our website:

[www.associationofarmydentistry.org](http://www.associationofarmydentistry.org)

If you have any potential interest please contact the Executive Director, John Storz via email at

[assoc.army.dentistry@gmail.com](mailto:assoc.army.dentistry@gmail.com)

or call **(202) 588-5723**.

## **Active Component News**

The President of the AAD has met with the current Chief, Army Dental Corps, MG Thomas R. "Rob" Tempel to establish an official liaison officer. The active duty officer(s) will work with the AAD to keep open communications and identify those projects where the AAD can promote and support Army Dentistry. This close cooperation will enhance the ability of the AAD to fulfill its mission.

## **Reserve Component News**

Colonel Peter Tan recently joined the Board of Directors, representing Compo 2/3. He has submitted the following remarks:

Thank you for the honor of serving on the Association of Army Dentistry (AAD) Board of Directors as Chair of Compo 2 and 3. Thank you for BG (Ret.) Jerry Strader for permitting me to continue his legacy and serve the Dental Corps.

"The Army National Guard Bureau (ARNGB)/Compo 2 and the United States Army Reserve (USAR)/Compo 3 Dental Directorate Officers have had a very integral relationship with our Active Duty counterparts. In the upcoming newsletters it is my objective to provide highlights from Compo 2 and Compo 3 from the historical aspect, as well as current activities by dental soldiers.

This month, an article on BG Zumsteg illustrates how the USAR serves at the highest levels of Army Medicine as a Reservist. It is heartwarming to see the quality of the dental officers, both past and present, typically balancing private practice and Army duties. I hope you enjoy this piece of history."
